This policy and procedures manual is issued to govern and provide best practices and guidelines for the Pawnee County Sheriff's Office. Nothing contained in this policy shall override the Sheriff's ability to act as an elected official and the powers issued to him by the Oklahoma State Constitution and State Law. These policies have been developed with the assistance of the Oklahoma Sheriff's Association and the Association of County Commissioners of Oklahoma. These policies were developed to conform with the Pawnee County personnel handbook and long-standing practices of the county.
